

Discuss Efforts to Promote Economic Development in Hobbs

Las Cruces, NM – On Monday, July 12th, Congressman Harry Teague will host a meeting in Hobbs with representatives from the Census Bureau to discuss efforts to have unincorporated areas north of Hobbs included as part of the population of Hobbs in the Census. The meeting will bring Census representatives together with local officials. Harry Teague has continually worked to have this additional population included in the Census to increase economic development opportunities for Hobbs and bring more business projects and developers to the area.

Due to space constraints, the meeting is closed to the general population. Interested media is invited to attend.

Monday, July 12th:

WHAT: Census Bureau Meeting to Discuss Economic Development in Hobbs

WHERE: J F Maddox Foundation, 220 West Broadway St, Hobbs
